FIRE GLOVES

FIRE FIGHTER GLOVES

Dual Certified – BIS 16874:2018 & EN 659:2003 + A2009 Standards

Latest innovation in multi layered firefighting gloves with durable & flexible high performance outer shell. A unique solution to hand protection for fit whilst delivering extremely high levels of protection against radiant heat, contact heat as well as mechanical protection and cut / abrasion resistance.

Model : KARVIN SAFE

Governing Standards : BIS 16874 : 2018 and EN 659 :2003 + A1:2008 or latest

Four layer technical textile based glove with Membrane ; Primary material at the back of the hand is Nomex ® , Kevlar ® with Neoprene/Silicon layer palm with combination system of special Kevlar ® fibres with cushion padding reinforcement on the knucles provided for enhanced protection of finger joints

Features

- Multi layer assembly of premium FR textiles with Membrane
- Outer layer is Neoprene/Silicon coated Kevlar ® aramid textile which provides added protection against both heat as well as mechanical risks including abrasion and cuts
- The primary MOC of the back of the hand is Nomex ® fabric
- Direct protection of palm is ensured by the last layer - aramid lining with increased grammage that guarantees comfort when putting on and taking off even if the glove is wet, as well as an increased thermal resistance
- Gloves are provided with long Nomex® cuff that facilitates Smart and firm fitting.
- Wrist section of glove is also provided with optional loop & ring provision with velcro closure for enhancing easier & firm fitting
- Reflectivity : Yellow / Silver / Yellow reflective tape provided at the back section of the cuff/ palm for higher visibility
- FR knitted cuff, sewn with FR with meta aramid thread Glove incorporates a highly permeable , waterproof FR membrane which also forms a marginal barrier against bacteria, blood & chemical agent exposure
- The final layer comprises of Kevlar ® based FR that provides thermal protection against heat
- Size : 9 (L) , 10 (XL) 11 (XXL)
- Color: Navy Blue | Black

Certified to both BIS & EN standards

Size : L to XXL
